Opening Presentation by Brenda Stoltz

CEO and founder of *Ariad Partners* with over 20 years of experience in companies of all size from Fortune 100s to start-ups.; Ms. Stoltz will share her expert advice in using Social Media.

This is a free event for small business owners, start-up pioneers and local entrepreneurs, hosted by the Town of Lovettsville, in honor of the 2014 “National Small Business Week.”

We are lucky to have some wonderful guest speakers this year who we believe serve as a great inspiration to our local business community (and our rising business stars!)

Following speeches by our guest speakers, we will be conducting an Entrepreneur Panel (made up of our guest speakers) to allow attendees gain advice on what it takes to start a company, challenges they may encounter along the way and suggestions for future start-ups.
